Conservative & Endodontics

SPEAKER: Dr. Yogesh Kumar

KSR institute of Dental Sciences

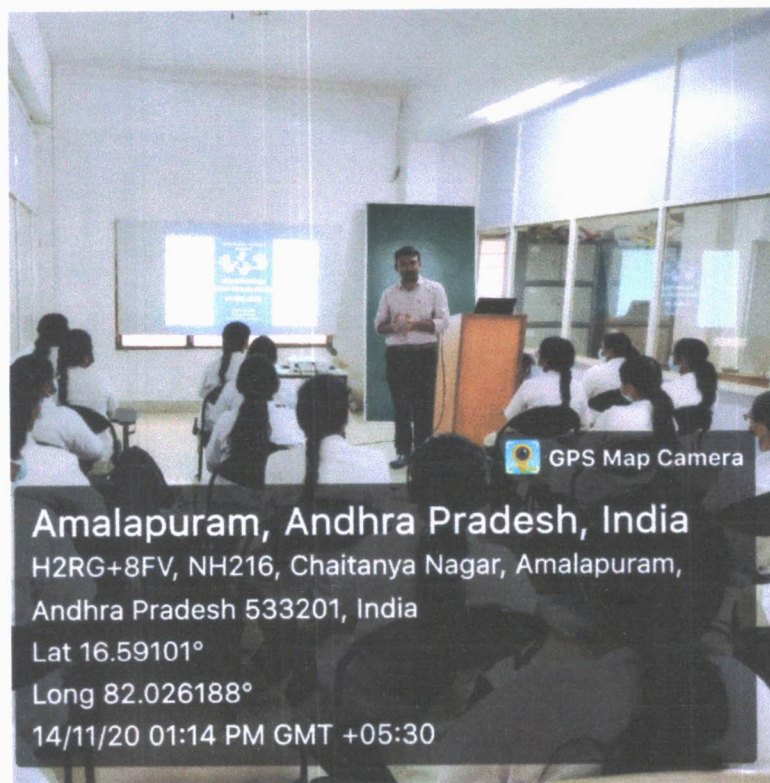

Department of Pedodontics

Contact num: 9629182888

SUMMARY: Childhood plays a very important role in all our lives.

On the occasion of childrens day we at KIMS dental college arranged a small celebration to school going children of our non teaching staff. Followed by a lecture on Child Sexual Abuse.

Circumstances, events, and experiences that manifest in most people's early and teenage years shape them into the people that they become eventually. And, **abuse** of any kind — **verbal, physical, mental, or sexual** — leaves behind deep wounds which can lead to traumatic mental health concerns. Dr.Yogesh Kumar has given a presentation that enlightens the audience about sexual abuse on child, how to recognise it and ways to prevent sexual abuse on child.
