

DENTAL COLLEGE & HOSPITAL

Recognized by Govt. of India MH & FW. No: V.12017/5/2019-DE 14.03.2019, Affiliated to Dr.NTR UHS, Vijayawada

The college organizes several programs to enhance and update the clinical skills of the faculties, Post Graduates and students. The following schedule is followed on monthly basis. It covers a wide range of meetings which emphasizes on basic sciences to clinical sciences. Case discussions are held every month in the inter department meets and clinical skill development programs are conducted for interns. Students are sensitized about social issues and responsibilities; the faculty members of the college are provided with a lot of avenues to update themselves with the knowledge of emerging areas and latest technologies in the field of dental education. The Faculty Development Programs planned and organized by the college enrich the faculty in terms of teaching and knowledge.

The DEU plays a vital role in the successful functioning of our institution. The committee was established to develop a single point contact between the institution, administration, teaching faculty, departments and the students. Its primary focus is the upliftment of the academic, practical, and clinical performance of the students of the institution. It helps the students by giving information in terms of academic related queries, guidance at times of difficulty, enabling smooth functioning of the departments.

Apart from its primary focus towards the students, the DEU also contributes immensely to the academic events of the institution. All the academic events organized by the various committees are coordinated and synchronized by the DEU. The academic events of DEU include

1. Programs for academic, clinical and cultural enrichment of students.
2. Faculty Development Programs for the faculty.
3. Programs on sensitization of Anti Ragging measures and implementation
4. Guest lectures by eminent entrepreneurs
5. National and international conferences/workshops in coordination with the departments and other statutory bodies

6. Programs on development of related needs including soft skills development, gender sensitization, personality development, bioethics and principles, professional ethics, and handling of non-compliant students.

FDPs conducted by DEU:

1. Clinical Society Meetings:

All the departments at the college are actively engaged to present recent advancement and research papers on rotation, house surgeons are encouraged to present in this forum, giving them a platform to exude self-confidence.

2. Value Added Courses:

The Dental Education Unit conducts many value added courses as a part of its responsibility to enhance knowledge of faculty and students and bringing awareness on issues related to and outside of the dental curriculum such as life course programs, ethics and personality development to name a few.

3. Faculty Development Programs:

Faculty from our college are encouraged to attend as well as conduct faculty development programs, in the process lot of new advances in teaching and learning is deliberated, which is eventually adopted in teaching methods
